L.E.V.E.L.TM RESPONSE TRAINING

TEEN DATING VIOLENCE & SEXUAL VIOLENCE PREVENTION & RESPONSE TRAINING FOR TRUSTED ADULT ALLIES

- Trauma Informed
- Youth Centered
- Highly Interactive

Do you feel fully prepared to respond to and support teens who are going through or who have experienced victimization? If not, this L.E.V.E.L.TM response training was created just for you. This workshop will provide you with the tools to provide teen victims and survivors with empathetic, validating, encouraging and relevant support. A L.E.V.E.L.TM conversation with a teen going through victimization could make all the difference by preventing feelings of isolation, shame and fear. You don't have to be an expert to L.E.V.E.L.TM and provide help. It's all about nonjudgmental support, absent of advice giving and opinion.
