We are a 501(c)(3) ministry-based nonprofit organization who provide hope, encouragement, trauma-informed care, life skills training, mentorship, and community re-entry support to juvenile-justice involved youth and juvenile-justice aged out youth.

Vision

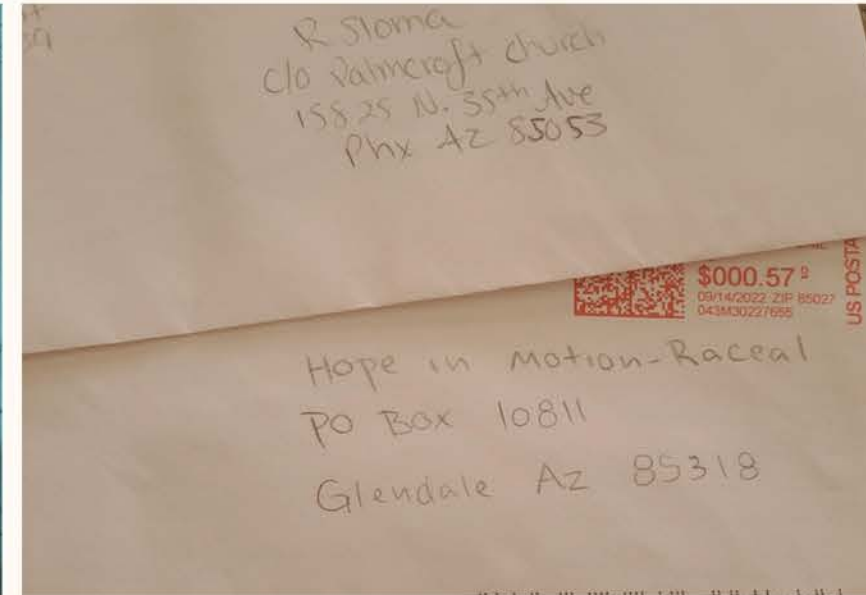

We are a Christian-based organization and come from all walks of life to share God's unconditional love for juvenile-justice involved youth and aged out youth.

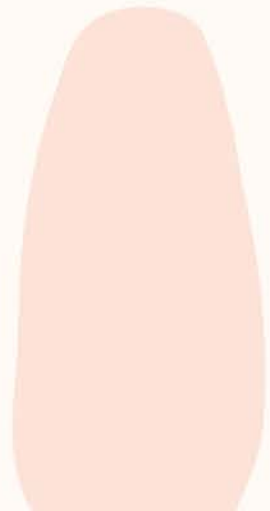

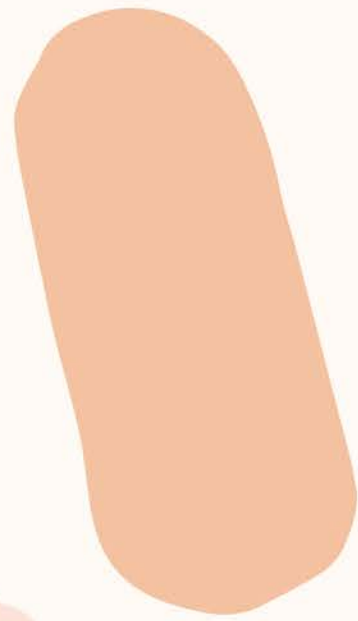

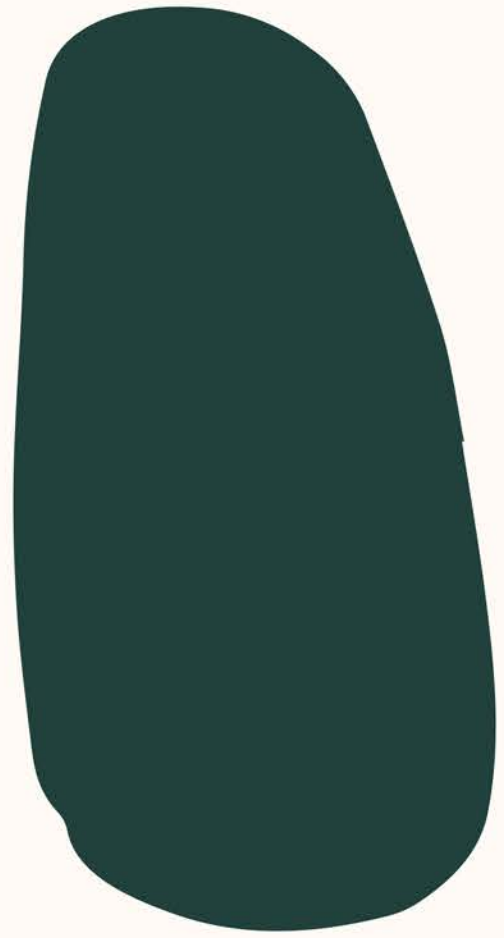

Our Kingdom vision is for youth to emerge as leaders in their communities, peer groups, and families, as generational chains are broken. Hope In Motion is an acronym of HIM, because our vision is for all we do to point to Him.

Our Why

My fear and anxiety got the best of me and a lot was going on in my head and life. I know GOD wants you in my life so i don't know why i tried kicking you out of it. I still have a lot to learn.. Sometimes i take two steps forward and then the next i take like 5 steps back. I'm still trying to find myself and walk with GOD. I dont want
